1. I'm very happy with my life. I am happy with the amount of income I am making. I have freedom and flexibility in my job, great girlfriends & mentors, great confidence, and I feel valued at my job.
2. I love your Company Values and all it has to offer, and I love your Products! I will definitely share you with some of my friends so they can experience the products and pampering, as I have.
3. I had no idea that Mary Kay offers so much! I need some changes in my current situation/life and want to take some information home. Please call me tomorrow to answer my questions. I would love to get coffee with you to be more educated and informed.
4. WOW! Only \$100! I'd like to give it a try! I want it all!! I so desire extra money, choices, freedom/flexibility, fun girlfriends, mentors, prizes, recognition, confidence and want to feel empowered by taking control of my life, vs. my life controlling me!
