Party Tips!

1. Invite 10 to 15 guests to insure a great group will come, let them know we will begin on time.
2. After the initial call to invite them, call the day before the party to remind them. I strongly recommend using various forms of invites: phone call invite, text invite, postcard invite (if you e-mail your names & addresses to me in 24 hours, I will do these for you) e-vites & create FaceBook event.
3. To insure LOTS of sales and MAXIMIZE FREE product, start collecting outside orders ASAP. (outside order forms attached)
