

## The Pillow Gift:

This is a small, beautifully wrapped gift that a husband puts on his wife's pillow Christmas Night....after all the other gifts have been opened, the mess cleaned up, after Christmas dinner is over, and all of the guests have gone. The tag on the gift says, "This is for you because I appreciate you and all that you do for us." Ask the men you know, "Have you purchased your Pillow Gift for your wife" Of course, he will ask what is it.....and you can tell him and then offer to wrap it for him. You can also tell him that this will make him a true hero in her life! Even when men tell you they have finished their Christmas shopping (sometimes they say "yes" whether they have or not) you can ask them if they remembered their Pillow Gift.
