

Found a sample in your order?
Try it and call me by _____ to receive a 20% discount when you order the full size.

Remember, I always have a 100% buy back guarantee. If something doesn't work for you, just let me know. I'll get you something that does. Never again have a box of "stuff" you don't use.

Cutting instructions: Using the cutter lines on the paper stock.

1. cut the right edge lengthwise - line up the top and bottom cutter marks with edge of cutter
2. turn paper clockwise and cut sidewise (3 cuts)
3. group those together and make a cut down the middle.
